Young Einstein Academy has been established to promote summer learning in a fun way through hands-on, engaging, fun activities in English, Math & Science. Campers can be in the Club from 7:30am until 6:30pm with the Academy running from 9:00am until Noon and then members can engage in all the Club has to offer: Games Room, Gym, and Learning Center.

YEA! Weekly Descriptions

Week 1: Get Ready, Get Set, Get Fit

Starting off the summer with a bang! From running and jumping to warming up and cooling down, learn how your body works and how to have fun while staying fit.

Field trips: Rock Climbing at Willamalane Center, Amazon pool

Week 2: Food Frenzy

What's inside the food we eat? Learn lots about what makes up different foods in this tasty week of camp.

Field trips: Get Air!, Amazon pool

Week 3: Camp Olympics

Bring out the Olympian in you this week! Have fun making and participating in Camp Olympics.

Field trips: Skate World, Amazon pool, CLOSED on Wednesday, July 4th

Week 4: Edible Engineering

Have you ever been told "don't play with your food"? That's not the case this week! Use all different kinds of food to engineer different shapes and structures.

Field trips: Eugene Science Center, Amazon pool

Week 5: Leading By Example

Members will create self-portraits, which will allow them to identify differences in one another while critiquing art and highlighting new and impressive things about other members.

Field trips: Adventure Children's Museum, Amazon pool

Week 6: Kid Accountant

This week introduces members to money management through various activities. Members will learn about entrepreneurship and how to save money.

Field trips: Camp Putt, Amazon pool

Week 7: Introducing a Better Me

Be ready to see yourself and others in a new light. Members will see internal beauty and form friendships based on learning about one another and accepting differences.

Field trips: Hike to a local park, Amazon pool + join Camp Ohana for their field trip!

Week 8: Sam & Dave Dig a Hole

Being an explorer can provide the world with lots of scientific breakthroughs and discoveries. Explorers are innovators that make a difference. Journey with Sam and Dave as they dig a hole and make new discoveries.

Field trips: Skate World, Amazon pool

Week 9: Balloons over Broadway

This week we will read a book and learn how a puppeteer used good leadership skills to make changes happen in a parade. Just like the puppeteer in the book, you can be a good leader too!

Field trips: Young Rembrandts (art class), Amazon pool

Week 10: Bugging Out

Members will see insects for the miniature marvels that they are. This week won't be able to tell you everything about insects but we will sure try!

Field trips: Eugene Raptor Center, Amazon Pool

***Field trips subject to change**
